LAURIE SUSTAINED AT THE POLLS

The People by Their Ballots Endorse the Policies of the Present Government of the Dominion.

WILL HAVE A MAJORITY OF OVER SEVENTY MEMBERS.

B. C. and the N. W. T. Return 10 Liberals in 13 Constituencies.

TALBOT PROVES EASY WINNER.

In Our Own Constituency Peter Talbot Leads in a Majority of Seven Hundred.—Ponoka Division Gives 34 Majority.—Col. J. J. Gregory Not in the Race and Loses Deposit.

So far as received, the returns from the general elections held yesterday show a grand victory for the Liberal party.

The official figures received last night give Ontario 33 Liberals and 40 Conservatives, with 13 constituencies yet to hear from. The city of Toronto goes solid and returns 5 Conservative members.

51 out of the 65 seats in Quebec have been heard from, 42 of which go Liberal and 9 Conservative. Sir Wilfrid Laurier, in Quebec East, is returned by a large majority.

Nova Scotia breaks the record by going solid for the Laurier government, and returns 18 Liberal members.

R. L. Borden, Conservative leader, is defeated in Halifax.

Of the 13 seats in New Brunswick, 7 go Liberal and 6 Conservative.

In Prince Edward Island Queen's East and Queen's West each return Liberals, while Kings and Prince are yet to be heard from.

Five Liberals and four Conservatives are returned in the nine constituencies of Manitoba.

In Brandon, where the most interesting contest occurred, Clifford Sifton won over R. L. Richardson by a majority of 600. In Winnipeg, Bole won over Evans, Conservative, and Patten, Liberal candidate.

Nanaimo, West Westminster, and Victoria, British Columbia, return Liberal members.

In the Northwest Territories, Calgary is the only constituency returning a Conservative, where McCarthy succeeds by a good majority.

Frank Oliver, in Edmonton, and Peter Talbot, in our own riding, each go in by large majorities. Mr. Oliver's majority is in the neighborhood of 500, while the returns so far received indicate that Mr. Talbot will have between 700 and 800. Col. J. J. Gregory received only a few scattered votes, and loses his deposit.

Strathcona, the home of Mr. Bush, gave him a majority of 59, while the home town of Mr. Bush gives him a majority of 144. Innisfail gives Mr. Bush 21. Red Deer vote stood very close to a tie. Wetaskiwin gives Talbot a majority of 116, Lloydminster 25, while Leduc and Ponoka each give him a majority of 54.

The majorities in the voting divisions in this district, so far as heard, are as follows:

Ponoka, majority for Talbot.....	84
Brooks, do.....	11
Morningside, do.....	19
Fairy Bank, do.....	37
Chesterwood, do.....	3
Asker, do.....	26
Grand Meadow, do.....	10
Magie, do.....	27
Concord, do.....	6

So far as reported things passed off very satisfactory throughout the country, although a deal of party feeling was shown in several of the constituencies. In our town things looked a bit lively, and it was very apparent that something unusual was taking place. It is satisfactory to record that out of a total voters list of 195, 165 took advantage of the ballot and recorded their votes.

A conflagration occurred in the city, and a second conflagration was observed on Golden hill. During the night of Oct. 29 a machinery building near the harbour was wrecked. Of the five Russian war ships which were bombarded, three were heavily damaged and two set on fire. The reports received of desperate encounters at close range, and tell a dramatic story.

FATAL SHOOTING.

Man Killed at Leduc by a Man Who Feared Halloween Pranks.

Leduc will long remember 1904 Halloween night, for one young man lost his life through the overbearing excitement of one who was afraid of the parade of innocent young men.

The particulars of the case.

Just about midnight a number of young men, among whom was Alex. V. Reid, were walking quietly past Klomkies' blacksmith shop. Without any warning a man in the shop fired on the party, Reid receiving the full charge in the left side. His companions picked him up, carried him to the hotel, and summoned medical aid. It was then seen that his injuries were very severe, and it was decided to take him to Edmonton. A rig was fitted, and Dr. Sutherland and J. W. Tipton drove Reid to the city. They arrived at the Public Hospital shortly after two o'clock, and a few minutes afterwards Reid expired.

He had received the entire charge at close range in his left lung. His arm was fairly riddled with shot.

Immediately after the shooting a raid was made on the shop. Jno. Spensel, George Klomkies, and a stranger in Leduc, the man who did the shooting, were taken into custody. The gun and also the empty cartridges were secured. Alex. V. Reid was a young man of twenty-eight years of age. He worked in the Great West Saddlery, Edmonton, for eleven months, leaving here on October 2nd for Leduc to start in business for himself, having purchased the business of Jno. W. Turner. Mr. Reid, who was an exemplary young man, came to Edmonton from Walla Walla, Washington. His home is in Eggonville, Eastern Ontario.

The name of the man who did the shooting is Gustaf Malinovski, a recent arrival in the village. It is stated that he had heard tales of former Halloween pranks in Leduc, and was worked up over them. Corporal McLeod, of Edmonton, at once went to Leduc and arrested Malinovski.

Malinovski later confessed to firing the fatal shot. He is now in the custody of the police charged with murder.

A number of the school children held a hallow'en party in the trees on the top of Pleasant hill Monday evening. The pleasant weather of the present time is especially favorable for a function of this kind and the children report an enjoyable time.

One thing noticeable this fall is the very large amount of fall plowing being done by the farmers. The impression has got abroad in the States that the fall season is too short to permit of plowing here. One visiting here this season should at once have that idea dispelled from his mind. Next spring will see hundreds of acres of ground ready for crop as soon as the season opens.

L. L. Wing has just completed his large barn on his farm, south of town. The barn is one of the largest and best in this district and reflects most creditably upon Mr Wing as an enterprising farmer. It is supplied with appliances for lifting hay and feed into the upper story where there is room for fifty tons of hay and several hundred bushels of grain. The convenience in the arrangement of the barn is an important factor. Hay, feed and water are all at hand without the necessity of going out side the building.

There are at least two classes of literature which should be in the home of every man who lives in the country—the local paper and a really good agricultural journal, one which in the fullest way meets the requirements of the country in which it is printed. The Nor-West Winnipeg, claims to be the best agricultural paper for the Canadian West, and in its advertising announcement, elsewhere in our columns, quotes some facts so forcible as to be worthy of the attention of all our readers. Its subscription offer is a very liberal one. Look it up.

Mrs H. A. Finch, of Watskewin spent several days of this week with relatives here.

Mr and Mrs W. J. Dea have spent the past ten days visiting at Innisfail, having driven down last week.

The C.P.R. boarding cars have been stationed here the past week while a crew of men are fencing the track here.

Chas. Stephens, whom we announced as leaving last week for B. C., returned on Saturday after having made a trip to the way through the mountains. He found there was no work to be had out there. His brother S. E. secured a job, of running a saw.

A bear is reported to have been seen on the top of the hill south of town. Alfred Maxwell saw him a couple of weeks ago and Harvey Creighton and W. E. Cathels came in contact with him last Friday night. The boys state that they could not possibly be mistaken, as they were sufficiently near to plainly discern the features of the animal. Being unarmed and on foot they lost no time in putting a safe distance between Mr bear and themselves.

John Reilly, of Calgary, came up on Monday and appeared on behalf of Mr Talbot at the Conservative meeting Monday. Mr Reilly is one of the old timers of Calgary, and his career represents a striking example of the possibilities of a young man who goes to a new country and remains with it. Twenty-one years ago he came to Calgary bringing with him a portable hotel, the first of its kind, accommodation in what is now that flourishing city. Now Mr Reilly has a handsome income which runs well up into the thousands every year.

Lugdon—McNeil. At the Baptist parsonage in Le due on Oct 25 occurred the marriage of Fred Lugdon and Miss Cassie McNeil. The groom is a successful farmer resident in the Chesterford district, and the bride's many friends in this district will wish them a long and happy voyage through life.

CONCERT AT MORNINGSIDE

Morningside rose to the occasion in first class style on Friday, Oct. 25, when an entertainment—presided over by Rev. A. Barner—was given in aid of the building fund of the new Methodist church. The church, which was beautifully decorated for the occasion, presented an animated appearance, the large crowd scarcely finding standing room.

The programme, which was a lengthy one, was stationed, in the main, by local talent, assisted by a few friends from Ponoka and Lacombe. Too much credit cannot be given to the part taken by the children, where it was apparent that no end of trouble had been taken in their training. Readings, recitations, and songs were given in good style, and we have no hesitation in saying that the ability displayed would compare with, and even surpass, what could be got up in some of our larger towns. Refreshments were served during the evening by a large staff of willing hands, and with the singing of God Save the King the audience dispersed to their several homes, satisfied that their labors had been amply rewarded by the substantial sum collected.

Political Meeting. A very successful meeting was held at the C.O.F. hall Monday evening in the interests of O. Bush—J. A. Jackson, advocate presiding. It was expected that R. B. Bennett would take the leading part, but it was announced that he had become indisposed; Senator Longhead kindly taking his place. J. Reilly, of Calgary, represented the Liberals, and speaking first, laid stress on the propriety of the country under Liberal rule, and dealt at length with the railway policy. Senator Longhead followed with a very clear and closely reasoned out speech from the opposition side. He illustrated to his audience the great advantage it was to the countries who owned the railroads, and the large revenues derived therefrom. From the Conservative side his oration was certainly a masterpiece, and appeared to carry a good deal of conviction among his audience. Local autonomy was the other subject taken up by him, and there again his remarks were clear and convincing. A short pithy speech by Capt. O'Brien, of Watskewin brought the meeting to a close.

The Monday occurred the nominations for the first mayor and council of Ponoka. A deep interest was manifested by the electors in the liberal manner in which they turned out. The following nominations were made:—

For Mayor:—A. Reid, F. M. Lee and J. D. McMillan.

For Councilmen:—F. M. Lee, Cook Myer, W. A. Bredie, W. J. Miles, J. A. Jackson, R. W. McKinnell, W. R. Courtwright, F. E. Algar, A. Reid.

Mr Reid and Mr Jackson have since withdrawn their names as candidates for the council.

All the above are good and worthy citizens of the town and no matter which the electors, by their ballot next Monday place at the head of the affairs of the town, no mistake will be made and the history of the town for the coming three years at least, may truly be in able hands. They are all among the oldest residents of the town and men who have not only made a success of their own business enterprises, but who have materially assisted in the development of the village to the present stage.
